Subject : Verizon Partner Solutions Industry Letter: Discontinuance of Listing Verification Reports

Please note that the vendor on which Verizon relies to provide automated Listing Verification Reports (LVRs, for verification of directory listings prior to publishing) is discontinuing this service. Accordingly, effective June 1, 2025, Verizon will no longer provide automated LVRs. In lieu of automated LVRs, CLECs and Resellers (if any) that still use LVRs may instead verify their listings by via Local Service Interface (LSI) and selecting the Directory Listing Inquiry in Pre-Order.
