

Boost your business. Go digital.

Verizon Partner Network Digital Agent Program

A new agent sales model for Verizon partners.

**Sell broadband, connected laptops
and tablets simply and quickly.**

Partner benefits:

- New, easy platform with quick access to sell faster.
- No deal registration, opportunity or lead required. Seriously.
- Reduce sales time to close on key products with standard pricing.

Digital agent responsibilities:

- Sell independently on behalf of Verizon
- Identify opportunities for connected laptops, tablets and broadband solutions
- Ability to talk to customers about connectivity and equipment offerings
- Create a quote / digital cart for the customer
- Answer customer questions

Ready to go digital?
