

Internet Dedicated New Service Incentive v2 Promotion

Promotional Benefits

Subject to the conditions below, Customers who order Verizon Internet Dedicated Optimized Services for the first time with a minimum one year Service Commitment or Volume Commitment Period, as applicable (for purposes of this promotion the "Commitment"), will receive credits equal to the monthly recurring charges ("MRC") for the Internet Dedicated port and the MRC for Access Optimized services in the second full monthly billing period for a one or two year Commitment. Customers committing to a three year Commitment or greater will receive credits equal to the MRC for the Internet Dedicated port and the MRC for Access Optimized services in the second and third full monthly billing periods.

Conditions

1. The number of promotional payouts are based on the Access Service Commitment if different from the Volume Commitment.
2. Only Internet Dedicated Tiered Ethernet ports ordered with Access circuits located in the United States are eligible for this promotion.
3. If Customer disconnects the Internet Dedicated port before the promotional credits have been applied, the credits will be forfeited.
4. Orders may be expedited, but are subject to expedite fees.
5. To be eligible for this promotion, Customer with a Commitment must order Internet Dedicated prior to the end of the first six months following the inclusion of this promotion into Customer's agreement.
6. Local Access wireless backup connections used with Verizon's Internet Dedicated Services are not eligible for this promotion.
